

Neptune Road Improvements from Partin Settlement Road to US 192

FPID: 445415-1

September 2020

Volume 3

Osceola County is evaluating improving Neptune Road, from Partin Settlement Road to US 192. This Project Development and Environment (PD&E) Study has evaluated various alternative improvements and their impacts to the physical, natural, social, and cultural environments.

A Public Hearing is scheduled for September 24, 2020, beginning at 6:00 pm. The purpose of this hearing is to receive input on the preferred alternative. More details on the back of this newsletter.

Partin Settlement Road to Old Canoe Creek Road

Two alternatives were evaluated for the section from Partin Settlement Road to Old Canoe Creek Road. Both alternatives include a 4-lane divided roadway with bicycle lanes and a shared use path on both sides of the roadway.

The Preferred Alternative is a modified version of Alternative 1 which assumes widening occurs to the north side of Neptune Road, from Partin Settlement Road to west of Ames Haven Road. From Ames Haven Road to the canal, both alternatives include widening both sides of the road. East of the canal, both alternatives include widening to the south of the road.

Old Canoe Creek Road to US 192

Two alternatives were evaluated for the section from Old Canoe Creek Road to US 192.

The Preferred Alternative is a modified version of Alternative B which includes a 5-lane road with a center two-way left turn lane, a shared use path on the north side of the road and a sidewalk on the south side of the road. This alternative will need additional right-of-way on the north side of Neptune Road.

Osceola County is offering two ways for the community to participate in the public hearing. Interested persons may join the Virtual Public Hearing (VPH) from a computer, tablet or cell phone. Or, they may participate in person by going to the Osceola Heritage Park Events Center (location above). All participants, regardless of platform they choose, will participate in the same live public hearing.

A VPH is a free live presentation or webinar over the internet. If you wish to participate in the VPH online from a computer, tablet, or mobile device, registration is requested (but only required if providing verbal comments over the phone) in advance by going to the project website (www.ImproveNeptuneRoad.com). Once registered, participants will receive a confirmation email containing information about joining the VPH online. Information about connecting to the VPH will also be posted online at the project website 72 hours in advance of the meeting. In order to provide verbal comments during the VPH, or for participants who are unable to view the webinar, they can participate in the meeting by calling: (407) 205-0551, access code: 301797.

To speak by phone (even if accessing the hearing online), please fill out a speakers request card 24 hours in advance at: osceola.formstack.com/forms/transportation_meeting

Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Mr. Joshua DeVries (contact information below).
